I feel like she wouldn't care too much for jewelry.

the back is showing
I-I don't think this suits me?
Maybe I could get her clothes... But I'm not too sure about her tastes in clothing. (I see her in uniform majority of the time)
Shoes? (I don't know her size...)
Flowers? (Those die...)
Chocolates? (She doesn't like sweets...)

Plus...
I feel like na matter what I get her, she'll say she likes it regardless.
wtf is this. do girls really like this stuff?

I want to give her something that at least has *meaning*.
Or maybe I'm making this a lot harder than it should be.

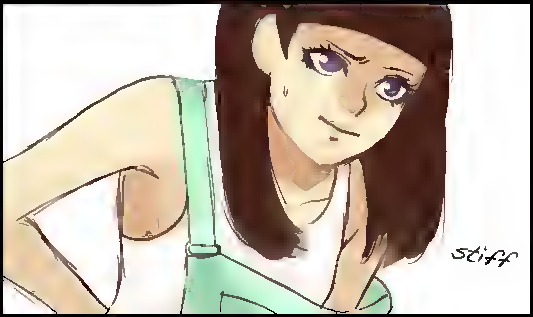
Lan--!!

Hello?
Ack-- He's on the phone? So it wasn't broken after all... What gives?
Don't tell me he's been intentionally ignoring me...

Moreover...
What's with that look on his face? Who is he talking to?
O o
hey, I was just thinking about you

You know me better than anyone else... So why do you feel so far away?

VRe



Let's take a thirty minute break. Give yourself some time to relax a little, okay?
Ah... Alright.
That new girl has no idea what she's doing.

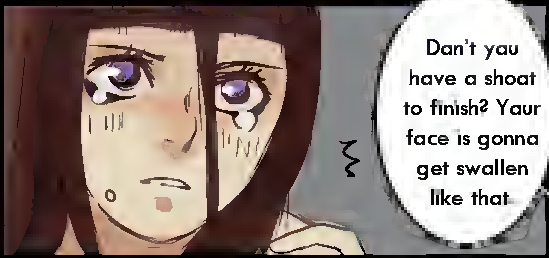
Hey, she's not *that* bad. Cut her some slack.

Sure, she *kind of* has a pretty face, but let's be honest, she doesn't have *any* talent.
glare

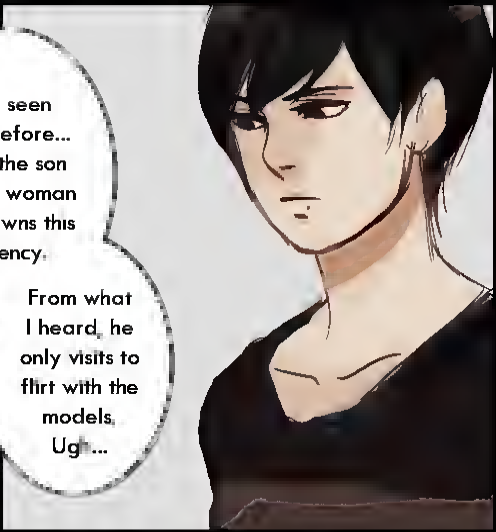
Quiet down, she's looking this way.

sniffle

sob

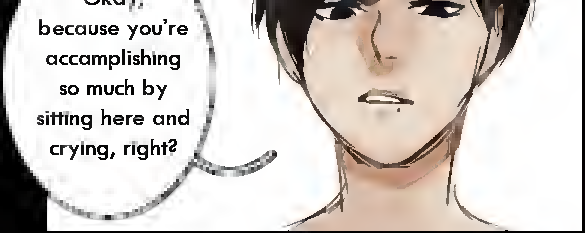


Don't you have a shoat to finish? Your face is gonna get swallen like that



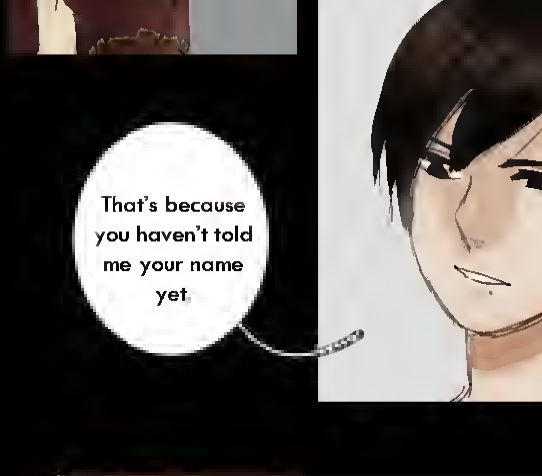
I've seen him before... He's the son of the woman who owns this agency.
From what I heard, he only visits to flirt with the models. Ugh...

Listen, I'm busy and not in the mood to put up with you. Why don't you mind your own damned business?



because you're accomplishing so much by sitting here and crying, right?

You've got some nerve talking like that! You don't know who I am!



That's because you haven't told me your name yet.
Dammit, he's smooth.

... It's Sayo.
Why did you decide to do modeling, Sayo?

Becouse it's my dream ond possion.
...
I didn't realize they'd be so quick to *bosh* me though.

It's *infuriating*.
Who the hell ore they to soy

I can't do this? What do they know?!
sniffle
Once you put yourself out there, it's expected.
You're the only one who

could fend for yourself.
Which is exactly why you shouldn't show them you're vulneroble
Don't give them thot satisfoction.
Hide whotever you're feeling inside ond prove them wrong. You're here for a reoson after

all...
Anyway..
You should probably go freshen up.
You're on set in a few minutes, right?

Smile for
the camera.
See you.
...

Last shots for today! Let's make them count!

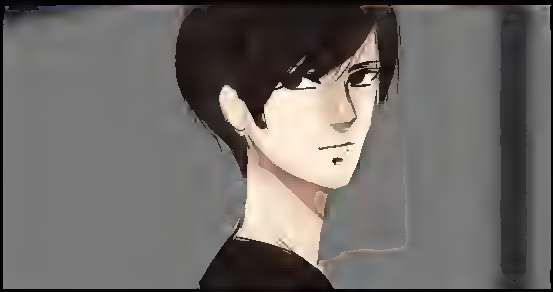
Excellent!

We got a lot of good pictures this time. Well done! Let's call it a day, shall we?



He understood me like no one else.

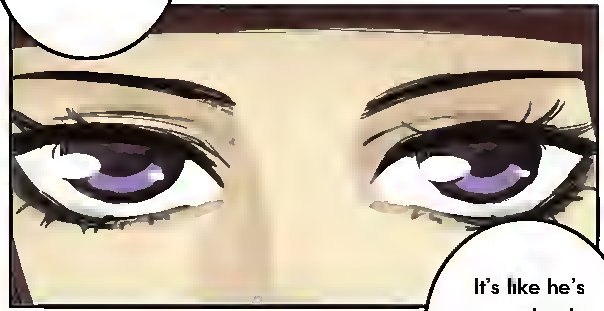
We dated shortly after we met, but in a month's time, he told me he wanted to break up.

At first I was torn about it, but I convinced myself he'd come back eventually... I felt we shared a special

connection.

Deep in my heart, I believed that we were meant to be together...

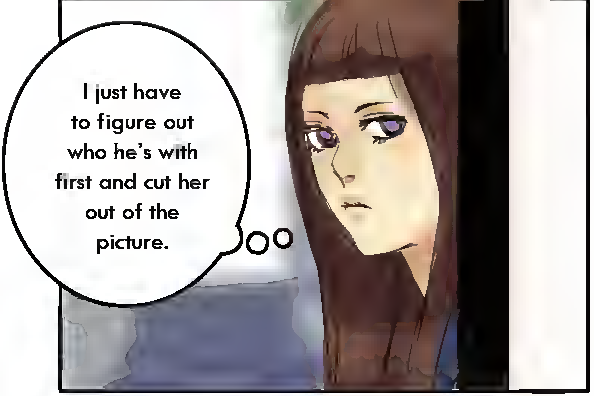
So tell me why is it that...



It's like he's completely forgotten about me?

glance
I searched online to see if he's currently dating someone, but nothing came up.
If he was with someone from the modeling agency, I would have known by now too.

I can't approach him just yet. At least not right now.



I just have to figure out who he's with first and cut her out of the picture.

And then I can remind him who's

truly meant
for him.
After all
...

True love
requires time
and patience~

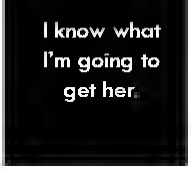
This....



I know what
I'm going to
get her.
